WHAT IS APPRENTICESHIP?

Apprenticeship is a combination of on-the-job training and classroom learning that leads to a skilled trade credential.

- 90% in the workplace with an experienced skilled worker
- 10% is in school at an approved training centre, union hall or college
- Apprentices follow training standards to become skilled in the trade

✿ Indicates a Red Seal Program

T Indicates a Designated Compulsory Trade*
Trades that are not Compulsory are Voluntary Trades**

***Compulsory Trade:** a trade in which registration as an apprentice is legally mandatory.

****Voluntary Trade:** a trade in which certification is not legally required to practice the trade.

APPRENTICESHIP IS POST-SECONDARY EDUCATION
