FOR IMMEDIATE RELEASE

Build a Dream Appoints April Morganti as Executive Director

WINDSOR, ONTARIO | November 2026 — Build a Dream is pleased to announce the appointment of **April Morganti** as the organization's new Executive Director, following a comprehensive succession process led by its Board of Directors.

April brings more than 25 years of executive leadership experience across the nonprofit, education, and healthcare sectors. Throughout her career, she has led initiatives focused on strategic partnership development, government relations, communications, stakeholder engagement, and organizational transformation. Her experience in organizational growth and culture building will support Build a Dream's continued work to create equitable opportunities for women and underrepresented groups.

"Following an extensive succession process, the Board unanimously selected April to lead Build a Dream into its next chapter," said **Amanda Byrne**, Chair of the Board of Directors. "Her leadership experience, strategic vision, and commitment to mission-driven work make her exceptionally well positioned to build on the strong foundation established over the past twelve years."

April's appointment follows President and Founder **Nour Hachem's** previously announced decision to transition from her leadership role after more than 12 years of service to the organization. Under Nour's leadership, Build a Dream has helped women and girls discover career possibilities, connect with mentors, and pursue opportunities in industries where they have historically been underrepresented.

"Building Build a Dream has been one of the greatest honours of my life. What began as a vision has grown into a national movement because of the people who believed in it and helped bring it to life. I am proud to welcome April as our new Executive Director and look forward to supporting her as she builds on this foundation, creating more opportunities for girls and women to shape their futures and Canada's workforce," said **Nour Hachem**, President and Founder of Build a Dream.

To ensure a seamless transition, Nour will remain actively engaged through December 31, 2026, working closely with April to share organizational knowledge, support key relationships, and introduce partners and stakeholders across Build a Dream's network.

"I am honoured to join Build a Dream and continue the incredible work that has transformed the lives of so many individuals across Canada," said **April Morganti**. "I look forward to listening, learning, and connecting with our team, partners, funders, government representatives, and community stakeholders as we continue creating pathways to opportunity and economic empowerment."

April's initial focus will be engaging with Build a Dream's staff, partners, funders, government representatives, and community stakeholders to better understand the organization's impact and identify opportunities to build on its success. The organization's mission, programs, partnerships, and strategic priorities will remain unchanged throughout the transition.

As Build a Dream enters this next chapter, the organization remains committed to empowering women, gender-diverse individuals, and underrepresented groups to explore careers, build confidence, and pursue meaningful economic opportunities.
